Enterprise Employee Handbook & Operational Guidelines (Demo Edition)

1. Overview & Workplace Culture

Welcome to ACME Global Technologies. We provide next-generation cloud infrastructure, enterprise artificial intelligence solutions, and secure data storage. Our mission is to empower global businesses with resilient, scalable software systems and automated intelligence.

2. Working Hours, Flexibility & Remote Work Policy

- **Core Working Hours:** Mandatory collaboration hours are 10:00 AM to 4:00 PM in your local time zone.
- **Hybrid Remote Model:** Team members may work from home up to 3 days per week with manager coordination.
- **Home Office Stipend:** Every full-time employee receives a one-time **\$1,000 reimbursement** for ergonomic home office furniture and peripherals upon joining.

3. Leave & Paid Time Off (PTO) Policies

3.1 Annual Leave

- Full-time employees are entitled to **20 days of paid annual leave** per calendar year.
- Up to 5 unused leave days can be rolled over to the following year.
- Requests exceeding 3 consecutive business days must be submitted 2 weeks in advance via the HR Portal.

3.2 Sick & Medical Leave

- Employees receive **10 days of paid sick leave** annually.
- For absences extending beyond 2 consecutive business days, manager approval and a doctor's certificate are required.

3.3 Parental Leave

- Primary caregivers receive **16 weeks of 100% paid parental leave**.
- Secondary caregivers receive **6 weeks of 100% paid parental leave**.

4. Health, Wellness & Benefits

- **Healthcare:** ACME covers 90% of healthcare premiums for employees and 75% for eligible dependents.
- **Wellness Allowance:** Annual optical and dental wellness allowance of \$500 is available through payroll claims.
- **Learning & Development:** Each engineer receives an annual **\$1,500 continuous learning budget** for certifications, books, and conference tickets.

5. Travel & Expense Reimbursement

- **Per Diem Limits:** Up to \$75/day for domestic travel and \$110/day for international travel without prior executive approval.

- **Flights:** Economy class for flights under 6 hours; Premium Economy or Business Class allowed for international flights exceeding 6 hours.
- **Expense Reporting:** Receipts must be submitted within 30 days of incurrence via the Expensify portal.

6. Information Security & Engineering Standards

- **Authentication:** Multi-Factor Authentication (MFA / 2FA) is strictly mandatory on all corporate systems.
- **Zero Credential Leakage:** Hardcoded secrets, API keys, and private tokens must never be committed to Git.
- **Code Reviews:** All pull requests require approval from at least one senior peer before merging to main.
- **Incident SLA:** High-severity security issues must be triaged within 4 hours by the on-call Site Reliability Engineer (SRE).
